The presidential primary went by
default in both Hondo precincts last
Saturday. And judging from the
silence over the rest of the county,
it attracted but little attention any-
where. Only two precincts—those
being from Devine—sent delegates
here for the county convention Tues-
day. It seems like we must either
do away with the civil service and
go back to the old system of "to
the victor belongs the spoils" or see
the public lose interest altogether in
political affairs. Prospects of an
appointment as postmaster used to
never fail to bring out an interested
crowd of voters.

Mrs. Leo. Schweers and Master
Leo, Jr., of Sabinal came in from
San Antonio Thursday on a visit

MISSIE DECKER ENTERTAIN WITH A DANCE.

A delightful event in the social circles, after the long Lenten season, was the dance Saturday night given by Missie Lurene and Clara Decker at their pretty ranch home. The rooms were decorated with a variety of flowers and pot plants which lent an artistic scene to the charming home. At the appointed hour the dancers arrived and, to the sweet music afforded by the Hondo Orchestra, "tripped the light fantastic" until well into the evening. Punch was served throughout the evening and at a late hour a delightful lunch of chicken sandwiches, pea salad, potato chips, olives and cakes was served.

All who attended the dance are in unison in declaring it to be one of the most heartily enjoyed events of the season.

The invited guests included Misses Octavia Davis, Loraine Heath, Bess Brucks, Fay Russel, Gertrude Reilly, Lillian and Josephine Brucks, Erna Leinweber, Ivy Meyer of Ellinger, Texas, Thelma and Adele Decker, Elvera Rothe, Pauline Metzger, Dora Zinsmeyer, Josie Rothe, and Cora Finger of D'Hanis; Messrs. AT THE METHODIST CHURCH.

Sunday, May 11th, is Mothers' Day. All honor is due Miss Anna Jarvis who instituted the day. And the most beautiful thing about the observance is Mother-Love. There is an old story that goes something like this:—An angel visited the earth and at the end of the day prepared to return, but he wanted to carry with him a suitable souvenir of his earthly visit. He gathered a rose, but it faded; he caught the smile of a playful child, but the smile turned into a frown; then he saw the love of the Mother as she stooped over the cradle in devotion, and he said "at last I have found that which will not change or fade".

Preaching at 10:50 A. M. Subject—"The Story of a Faithful Mother".

Preaching at 7:45 P. M. Subject—"How Our Relationship With God affects Our Relationship With Man." (Text Matt. 5: 23-24.)

All are cordially invited to worship with us. Special music by the choir at the morning hour.

A. M. FOSTER, Pastor.

TO MY CUSTOMERS.

I have sold my business to Oscar J. Schuehle who will take charge of the same next week, continue it at the same stand and after about the 20th instant run a first class restaurant in connection. I take this means of thanking you for your patronage, and I solicit your continued favors to my successor.

Respectfully, ROLLIE A. SCHUEHLE.

THE DIRECTORY OUT.

A thousand-volume edition of first Directory of Medina Sch was completed by The Anvil Herald Print Shop Tuesday and delivered to its publisher, County Superintendent W. N. Saathoff.

The publication is a somewhat pretentious booklet, containing pages with the cover. The pages are closely printed on fine book paper and the book illustrated with half-toned engravings.

It is a splendid advertisement of Medina County, and will be treasured by many as a souvenir of county and of their old common school.

Mr. Saathoff is distributing it free to those who are interested in them and is receiving many desirable compliments on his booklet.

DEMOCRATIC CONVENTION

The County Democratic Convention met at the Courthouse Monday only two precincts, Nos. 10 and Devine, being represented by delegates.

Joe Ney, elected county chairman at the last election, called the meeting to order. Mr. Ney tendered resignation as chairman of the county Democratic executive committee which was accepted, and Mr. J. Thompson was elected as his successor.

John T. Briscoe and J. C. Thompson were elected as delegates to State convention; G. C. Morris and L. J. Brucks, alternates.

The delegates were instructed to vote for William G. McAdoo as Democratic candidate for President.

For All the Family

"WE have used Black-Draught ever since we have had a family and that was shortly after 1874," says Mr. E. A. Branstetter, of St. James, Mo. "It is my first remedy when any of us gets sick. . . . We use Black-Draught for torpid liver and stomach complaints."

"When I get sluggish and don't feel so good, I take Black-Draught—and you have to show me that there is a better medicine

in Missouri. I think it is fine for indigestion or for headache. It is a splendid family remedy. My wife uses it for any stomach ailment, indigestion and biliousness. We never let the house be without it if I know it. We also give it to the children for children's complaints, colds or fever."

Keep a package of Black-Draught in the house for all the family.

Your dealer will sell you a mammoth package, containing five of the regular-size packages. It's cheaper.

NOTICE.

Pursuant to the request of the State Health Officer the week of May 12th to May 17th 1924, is designated as "Clean up Week" for Medina County. During this time it is requested that all householders and property owners will clean up their premises both front and back. Chop the weeds and you destroy excellent breeding grounds for mosquitoes and flies, as well as improving the appearance of your home.

Drain off all the pools and puddles of water, if this is not possible pour oil over the surface. This will prevent breeding of mosquitoes.

Tin cans should be opened at both ends and flattened out before thrown in the rubbish pile. If not mosquitoes will breed in the small amount of water that accumulates in the cans.

Repair your screens now and keep the flies out of your homes. Most of the summer diseases of infants are due to contamination of food by flies.

Keep food in a cool place, protected from flies and dust.

We can all help in preventing epidemics by cleaning up. Won't you help? If you don't believe that disease is spread by flies, mosquitoes and dirt, you at least admit that these pests are a nuisance and should help on that score.

W. H. SMITH,
County Health Officer.

NOTICE TO STOCKMEN.

If you expect prompt service when shipping cattle to Native Yards or otherwise, or trucking and driving out of this County, please notify me two or three days ahead, as all local inspectors are very busy now and I am called away a great deal of my time.

Respectfully Yours,

H. F. WURZBACH,

FUNDAMENTAL REVELATION
in
DRAMATIC SYMBOL.
By Rev. J. T. Horger.

NO. XVI.
OUT OF EGYPT, THROUGH THE
WILDERNESS, INTO
CANAAN.

The above three clauses outline the travels of the Israelites which have their background, and wherefore in the TRINITY of the Godhead, and the THREE dispensations of the Revelation of the plan of redemption; namely, that of the Father, that of the Son, and that of the Holy Ghost.

And as each soul, to be thoroughly saved, must pass through each of these THREE dispensations, God has symbolized the THREE of the travels of the Israelites OUT of Egypt—a type of the conversion of a sinner; and THROUGH the Wilderness—a type of the state of regeneration; and INTO Canaan, and the life that followed, a type of sanctification and the possession of the Holy Ghost, the Christian's inheritance.

But how do we know that this is a Dramatic Symbol? Turn to first Cor. 10: 11. St. Paul referring to the Israelites in their journey says, "Now all these things happened unto them for ensamples," (that is types) and are written for our admonition—not a mere accident, but wrought out and recorded for "examples." Again, the same apostle, tells us in 2nd Tim. 3: 16, "ALL scripture is given by inspiration of God, and is PROFITABLE—for DOCTRINE, for REPROOF, for CORRECTION, for INSTRUCTION in righteousness."

It will be remembered that the

Rom. 6: 23. In this state of cruel bondage, the Israelites, were made to cry out in sorrow and anguish of heart for mercy and deliverance. God heard their cry; and raised up and qualified Moses, and sent him to deliver them. When the sinner is once in abject bondage to sin and Satan, and the ways and fashions of an ungodly world, if God does not send deliverance through the Gospel and Power of His Grace that sinner, like the fly caught in the web of the spider, will find himself, as the days go by, more securely bound, until the fatal hour, when the Arch-Fiend of Perdition shall drag him into the dark and dismal den of misery and eternal woe; "there shall be weeping and gnashing of teeth."

It will be observed that the first thing Moses did, when he entered Egypt, was to call the heads of the children of Israel and tell them of his mission and the promise of their deliverance through Grace by faith in the promise of God to be obtained through the virtue of the blood of the Paschal Lamb. The Israelites gladly received the message. But they were not out of bondage; neither is the sinner saved from sin, and the power of Satan, when he first begins to accept the Gospel as the truth and promise of God in Christ. Therefore, Moses and Aaron, representatives of the true church, were sent to Pharaoh, who, in this drama, stood for the Devil, to demand of him the release of the Israelites that they might go, out of Egypt, a type of the state of the unsaved, into the wilderness, a type of the regenerate state, to worship and serve God. At once there arose a mighty struggle, yea an awful battle, with God, Moses and Aaron for the deliverance of the Israelites, and Pharaoh and his hosts to hold them bound as with chains in slavish servitude.

Ten great and awful plagues were sent upon Pharaoh and his kingdom, as they played the part of the world, the flesh and the Devil; while Moses and Aaron acted out the part of the spiritual church, being inspired and directed by Jehovah. The congregation of Israel represented the believing, penitent, repenting, and seeking sinner looking to the church to lead him to deliverance from the bondage of sin. Now note that for days, weeks and months, this conflict raged, until Egypt lay waste and Pharaoh's kingdom was shaken from center to circumference.

Now if you will study this God-given Symbolic drama you will see that a genuine conversion—deliverance from the powers of iniquity, the forgiveness of sins and the regeneration of the heart—means FAR more than a mere mental acceptance of Jesus as one's Savior; or a hand shake with the preacher or joining the church. Moses and Aaron's conflict with Pharaoh and his Empire represented the labors of a true church. Preaching the gospel until the unsaved are willing and

but just a lot of people TRYING to be and do good." "Now Brother, Sister, you believe Jesus is the Savior and that he is your Savior. If I were you, I would assert my manhood and manifest my moral courage by joining the church and show these folks that you are not ashamed or afraid to confess your Savior by joining the church. Come on, right now; let the congregation stand while we sing. Come on, Brother, Sister, and give us your name, and be a good worker for the Lord." Yes; and that's YOUR kind of getting folks into the church? Well, the old ship of Zion is already loaded with such dead weight, until she is sinking on every side and those on the out-side have no confidence or hope in her ever landing her cargo on the heavenly shores of sweet deliverance beyond this stormy sea. Ah, yes, my dear reader, the above, and many other ways, are resorted to to get people to join the church without complying with a hard fought battle for a REAL deliverance from sin, as illustrated in this God-given drama in the mighty conflict waged against Pharaoh and his hosts for the deliverance of the children of Israel. Jesus said, "Strive to enter in at the strait (difficult) gate; for many shall not be able." And some may not believe in the church getting all wrought up about the lost, fasting and weeping, praying and pleading that God will come near in mighty judgment against the satanic powers that hold the unsaved in the bondage of corruption and death. But God believes in a church like that. In Isa. 66: 8, we read: "As soon as Zion"—the church—"travailed," that is grieved in heart, and labored in prayer and supplication—"she brought forth her children." So it was in this dramatic symbol, God, through Moses and Aaron, sent ten awful plagues upon Egypt until the whole country lay in waste and ruins. About the 8th plague Pharaoh seems to yield, saying: "Who are they that go?" Moses said: "We will go with our young and old with our sons and daughters, and with our flocks and herds. Pharaoh said, "not so, the MEN ONLY may go." And when the 9th plague came, Pharaoh said, "go serve the Lord, only let your FLOCKS and HERDS be stayed." Moses answered, "These shall not be a hoof left behind." Let me say, when a soul is seeking salvation, let all concerned, beware, lest a half-hearted surrender to God and Godliness spoil the spiritual character forever. The Devil would have us leave something out of the covenant of the soul with God. Our churches are being filled with those who have not truly repented and fully surrendered to God and, therefore, not converted. Now, when the 10th and last plague had been determined, God introduced the Passover, a lamb to be slain by each family of the Israelites, the blood

but they, also were actually converted. Read 1st Cor. 10: 1 to 4 which says: "Moreover, Brethren, I would not that ye should be ignorant, how that ALL our Fathers were under the cloud, and all passed through the sea, and were all baptised, unto Moses in the cloud and in the sea; and did ALL eat the spiritual meat, and did ALL drink the same spiritual drink, for they drank of that rock that followed them, and THAT ROCK WAS CHRIST." St. John says: "He that hath the son bath life." The evidence we submit, is conclusive that their crossing of the Red Sea, both symbolized and exemplified the conversion, justification, and regeneration of the true believer in Christ Jesus.

The Lord willing, out next will be, on the words—"Through the wilderness." God's dramatic symbol of the merely regenerate life. May God give us spiritual eyes to see with, and willing minds and hearts to accept and act in hearty response to the truth of His word as laid down, both in symbol and plainly written language, through-out the Holy Scriptures, that there are THREE states of the soul, one unsaved, one regenerated, and one sanctified.

Hebrews as a religious nation had for their First Fore-Fathers, Abraham, Isaac and Jacob. And that Jacob's name was changed in later life to "Israel"; and that he had twelve sons, who with their families moved down into Egypt in order to obtain food and other necessities of life.

Notice that they were necessarily compelled to go down into Egypt to obtain a livelihood, typifying the fact that when we are born into a state of probation in the earth, we are forced out into contact and association with a vile and a corrupt world. Note, also, that Egypt was possessed by the descendants of Ham, who, throughout the old testament represented the "world", the "flesh" and the devil.

Therefore, the children of Israel, like the young that enter a sin-cursed world and join hands with the wicked, were soon drawn into the bondage of Pharaoh, King of Egypt, who, in this drama, acted out the part of the Devil, while his allies, represented the force and habit of sin which too often fasten their fetters upon the heart-strings of our boys and girls, before they, or even their parents, are aware of their fatal grasp.

But as time rolled on, the hand of oppression grew heavier and heavier, until the edict that all the male children among the Hebrews should be slain.

Oh, when we first start out in the ways of the wicked world, it may seem we have a good time; but ere long, the evil habits are fastening upon us, and in due time corruption and death begin to manifest their presence in the soul. So it was with them. "The wages of sin is death."

anxious to be saved; then calling them to an altar, all prostrate upon their knees, they wage a terrific battle against the powers of darkness by instructing, admonishing, and exhorting the seeker; also engaging in songs and fervent prayers that God will send His Almighty Judgment of hail, thunder and lightning, yea, even death and destruction, upon the Satanic power that holds the soul of the seeker helplessly bound. Yes, in this great and awful drama, God illustrated the conflict and an awful battle that is fought between darkness and light, and death and life over a soul that is truly seeking salvation. How the devil hates this kind of religion! How the Elite, the "sow"-city, up-to-date jelly beans and modern flappers spurn, shun, and even ridicule the seeking of salvation through this valley of humiliation and mighty struggle against death, hell and damnation. But says one, we up-to-date educated and enlightened folks don't believe in sinners being convicted of their sins until they are contrite and weeping. Nor in calling them to an altar, instructing, singing, and praying with them, that God might drive back the powers of death and hell and deliver them by His Grace from the bondage of sin and eternal death. Oh, No! Even if God did thus illustrate it in this drama. We want our preacher to preach a tame, soft, milk and cider sermonette, and while the choir is getting ready to sing let the preacher say, "If there are any of you GOOD people that will join the church, while the choir sing, don't be a coward, but take up your cross by joining the church now." "Don't wait to get any better. In fact, we church folks are not a band of good folks;

to be sprinkled upon the door facings of each house and the meat to be roasted and eaten with their clothes and shoes on ready to travel at any time that night; while the death angel past over to destroy the first born in every house that did not have the blood upon the posts and lintels of the doors thereof. Thus symbolizing that the seeker, in order to be saved, must be partaker, by faith, of the virtue of the shed blood and broken body of Jesus Christ, God's Paschal Lamb. We note that the same night, that as soon as the children of Israel had eaten the pass-over Lamb, that they started out of Egyptian bondage. So it is with the seeker. As soon as the soul truly partakes of Christ, by faith, at once it begins to move out of sin's awful bondage. But their COMPLETE deliverance was yet to come. So when they came to the red sea, with a high mountain on each side, and the Egyptians following in the rear, they cried out to Moses and Moses prayed, and the Lord said: "speak to the people that they go forward." And he said to Moses: "stretch out thy rod over the sea," and the waters were parted and they crossed dry shod. But the Egyptians, types of the Devil, sin, and all powers that bind a soul in sin and death, were all drowned by the return of the waters, at the command of God, and the out-stretched rod of Moses. Then they sang a song and shouted the praises of God for their deliverance; just as hundreds and thousands, through all the ages have done, when souls have been saved from sin, and delivered from bondage to the world, the flesh and the devil. The crossing of the red sea, was not only the symbol of regeneration,

Mr. and Mrs. John Poerner, Mr. and Mrs. Aug. Schott, Sr., Mr. and Mrs. Arthur Poerner and baby, Emanuel Poerner, and Mr. and Mrs. Aug. Schott, Jr., of Devine, attended the funeral here Sunday.

Died.

Mrs. Julia Wernette, one of Medina County's pioneers, died suddenly at her home in D'Hanis, Friday, May 2nd, and was buried from The Church of the Holy Cross Sunday morning after a High mass of Requiem by the officiating clergyman, Rev. F. Maas. A large concourse of friends and relatives followed the remains to their resting place in the Catholic cemetery and the many floral offerings were a token of the esteem in which she was held.

Mrs. Wernette was born in Germany, Aug. 30th, 1850, and came with her parents, Mr. and Mrs. F. J. Poerner, to Texas in 1853. After a few years spent in East Texas, her parents settled at D'Hanis.

In 1869, she was married to Bernhard Wernette and had resided here continuously. Her husband preceded her in death, dying in 1913.

During the more than three score years that she had resided here, she had endeared herself to her neighbors by her charity, industry, and faithfulness to her religious duty.

She is survived by three sons and one daughter, A. J. Wernette of San Antonio, Hy. R. Wernette and A. R. Wernette of D'Hanis, and Mrs. A. C. Miller of San Antonio; fifteen grand-children; four great-grand-children; six brothers and five sisters—Manuel Poerner, Joe Poerner and John Poerner of Devine, Rudolph Poerner and Herman Poerner of D'Hanis, Ed Poerner of Tarpley, Mrs. Aug. Schott of Devine, Mrs. Joe Wernette of D'Hanis, Mrs. Sophia Hill of San Angelo, Mrs. Emil Leinweber of Poteet and Mrs. Fred Jagge of Castroville.

Pallbearers were: Joe Koch, John Reiber, Louis Cagle, Sr., Wm. Finger, Pete Koch, Jr., and Alf Zinsmeyer.

Senior Party.

On May 2nd, the 7th, 8th and 9th Grades entertained the Seniors and their friends at the home of Mrs. Frank Huegele. The rooms were beautifully decorated in the Senior Class colors and a profusion of flowers.

The main feature of the evening was games, although dancing proved to be an enjoyable diversion.

At a late hour delicious lunch was served in dainty boxes, carrying out the Senior colors, silver and violet. Favors of white roses were given, this being the class flower.

When the guests departed for home after several hours of pleasure, each carried the thought of appreciation for his friends and school mates, who had entertained them so charmingly.

Card of Thanks.

We wish to thank our many friends for the kindness and sympathy shown us at the death of our beloved mother and grand-mother, Mrs. Julia Wernette, and for the beautiful floral offerings.

Respectfully,
THE CHILDREN AND
GRANDCHILDREN.

WITH THE DRILLERS.

The only news of consequence that has come to us the past week was the drilling in of the Ina No. 3 Tuesday afternoon. The drill was started again Monday after being idle for some days making preliminary arrangements for bringing in the well. The drill passed through the cap rock and went twenty-six feet into the oil sand. Many wild rumors have been put in circulation regarding the capacity of the new well, but we confess to absolute ignorance as to what the well will produce. In fact, we doubt if even the men who have the work in charge can yet definitely estimate just what the output will be, as last reports reaching us showed the well was not yet in condition to make a thorough test, the washing still being in progress. Some, who have visited the well, place the probable production high, while others, more conservative, content themselves with the statement, "its a good well." Striking a balance between the optimist and the conservative, we think we are safe in predicting that Ina No. 3 will prove a good commercial proposition.

The latest news from Will Metzger, who is drilling the home company well on the Ward ranch, placed the drill at a depth of approximately 530 feet, where a very hard rock was encountered.

There is a rumor afloat that a well will be spudded in south of town shortly but as this proposition is still in the embryonic state, we will defer a more extended notice of this proposition until we have more definite knowledge.

CLEAN UP.

Elsewhere in this issue is an official notice from the county health officer, Dr. W. H. Smith, calling upon the people of the county to clean up their premises during the week of May 12th to 17th inclusive. This is an important matter that should have the careful consideration of every one, especially those of us living in the town of Hondo. All rubbish should be burned or carted away, standing water should be drained off or kept covered with oil so as to prevent mosquitoes from breeding therein, and the weeds and grass should be kept trimmed so as to prevent decaying vegetation.

A little care and attention now may prevent much sickness later on, to say nothing of the improvement in appearance of one's premises.

The commissioner of this precinct has promised to co-operate with the movement by assisting in the cleaning up of the streets and alleys of the town.

Get busy, and do your part towards having a clean, healthy Hondo.

FARM LOANS.

The Hondo National Farm Loan Association, H. E. Haas, Secretary-Treasurer, Hondo, Texas, representing 176 borrowers, with \$688,480 borrowed, is prepared to make farm loans anywhere in Medina County under the Federal Farm Loan Act at 5 1/2 per cent interest and 1 per cent 33 year amortization repayment plan. Thirty-three thousand Texas farmers have taken advantage of this system of borrowing over ninety million dollars. Why not you? You may borrow for any purpose provided for in the Act, as a farmer only.
